

To whom it may concern,

I have been very fortunate to have coached Melik Miner this past season in football. Melik was a wonderful addition to our program and has excelled as a dual sport athlete in both football and basketball during his time here at Lake Shore High School. Melik displayed a work ethic and competitive drive that was second to none, on the field, on the court and most importantly, in the classroom. Melik's leadership qualities are on display daily as he leads by example to his fellow teammates and peers. Melik is mature, reliable, trustworthy, hardworking and strives to be the very best he can be in all aspects of his life. Melik positively encourages his fellow classmates and teammates to always do their best and compete to better themselves each and every day. Melik's positive attitude and strong personality have unquestionably made him a leader recognized throughout the district. Melik's work ethic, character and personal conduct separate Melik and clearly establish him as a leader and someone I highly recommend. If you have any questions further regarding the character of Melik Miner or my positive recommendation of him please do not hesitate to contact me.
